We are pleased to offer a wider selection of sponsorship and partnership opportunities for this year's Championships. Please find a breakdown of the designations below, along with the levels for each designation on the second page.

Strategic Partner	We strive to make connections with fellow music organizations that offer educational and/or competitive experiences to musicians and musical ensembles. Together, we are all stronger.
Music Industry Partner	Companies that support musicians are essential to our success, and we look forward to continuing our relationship with many of these organizations through this category.
Corporate Sponsor	While some organizations do not partake directly in supporting musicians on a day-to-day basis, many companies wish to support the fine arts. It is through this category that we want to say a resounding "Thank You" to our supporters.
Individual Sponsor	Individuals who wish to support the mission of NABBA may do so through this category. We hold the belief that music is for the listener, and hope that you can continue to enable us to continue to provide a world-class music experience for listeners for years to come.
